Vehicle Purchase Marshal's Department:

The Marshal is requesting that town purchase an additional vehicle as part of the replacement program. Marshal St. John is recommending the same vehicle; he has been in touch with the previous vendor from late 2019 to verify that pricing remains the same. While this purchase was budgeted for, the recent sale of surplus vehicles will cover better than 75% of the car's cost.

I would recommend the approval of the purchase.

Respectfully,

Pete Olson
Town Manager
