Nebo/River Rd Roundabout Supplemental Contract

BF&S is ready to start acquiring property for the Nebo/River Rd Roundabout which requires a supplemental agreement between the Town and BF&S to be signed off on by INDOT. Additionally BF&S and the Town are engaging Context to help with the design of the center of the roundabout and their design fees are included in this supplemental. Lastly there are some additional charges for ROW for the trail section between Woodland Trails Blvd and Nebo which is outside of the federal project.

I would recommend moving forward with the supplemental agreement to keep the project moving forward.
