Demolition of 9313 W Smith St.

Matt Ray has obtained a quote for demolition of the house the Town recently purchased at 9313 W Smith St. The firm that had most recently been performing the demolition work has changed their business model and is not currently interested in doing the demolition work, but recommended the firm that we obtained this quote from. The quote falls in line with previous structure demolition. I recommend that the board approve the quote and authorize demolition of the structure.
