New Hire – Jessica Bachmann

We have filled the open Utility Billing Clerk Position; Jessica Bachmann joined the team on February 12th. Jessica joins us with a number of years of experience in Human Resources, Accounting and office operations. We are excited to have Jessica join the team. Jessica did ask for a 1 week of vacation after 6 months vs our traditional year. Due to Jessica's background and the professional experience that she had and brings to us, I am recommending that the council approve the 1 week of vacation after 6 months.

Pete
