Comprehensive Plan

Marta Moody with the Muncie Delaware County MPO explained that the current Transportation Improvement Plan document that is in our Comprehensive Plan is being updated and the wording to change street extension to include the description and wording of a bridge on 600 W will occur in the early part of 2019. I would like to recommend that we approve the comprehensive plan with the caveat that when the new MPO document is adopted that it will be amended to the comprehensive plan. Passing the plan will allow the updated of our zoning ordinance to begin.

Pete
