Last month I presented a bill from Fred Lay who did some auto body work for the Town Police Department. Fred has done some work for us in the past, but traditionally we don't ask him to do this kind of work due to the conflict of interest. After getting a couple quotes and due to the small size of this project and his ability to get it done quickly we asked him to perform the job.

Since he has not performed work for us in the last few years, he has not needed to fill out a conflict of interest statement, but needs to do one this year. Attached is the conflict of interest statement along with bill.
