Canal St Award

The bids for the canal street reconstruction/redevelopment were opened in late November and came back slightly better than expectation such that the alternatives that were bid separately can be included in the entire project.

Additionally, the sale of bonds for the canal street project were done on Wednesday the 12th. There were 4 bidders for the bond with JJB Hillard coming in the lowest with an annual interest rate of 3.54%.

Attached are the recommendations from BFS regarding the award of the canal street project.
