Resolution for signature authorization

As we continue preparing for various sewer treatment plant upgrades, funding sources are also being evaluated. One of the options is the State Revolving Loan fund which the Town has used successfully in the past and traditionally saves a few percentage points versus tradition revenue based bonds. The SRF requires that the submittal is signed by an authorized individual which the council appoints. At this time I would recommend that you adopt this resolution making, Pete Olson, Town Manager the authorized signer so that we can begin interacting with SRF to talk about this project.

Pete
