Attached is the 2019 Street Paving Bid results; there were four bidders on our projects with Milestone Contractors being the lowest. I am recommending that we approve all roads associated with the bid as we received the Community Crossing Grant which will pay for 75% of the road work allowing us to pay the remaining 25%. Both the roads for last year's and this year's street bid packages will be completed this spring, early summer which will allow us to submit again in the fall for additional community crossing dollars.

The four bidders and their bid amounts are below:

- Milestone Contractors – \$250,811
- E&B Paving - \$258,205
- Baumgartner & Co. - \$259,005
- Brooks Construction - \$324,390

I recommend approving the bid from Milestone Contractors.
