**Your Work Also Includes the Following As Needed @ No Additional Charge**

- \* Up to 3 Final Coats - Any Tinted Paint Will Be Left With Customer
- \* All areas will be caulked; doors, windows, trim and baseboards for a clean look and to help prevent air loss.
- \* Do A Complete Visual Inspection Of All Areas, coverage all antennas and lighting
- \* Pro-Block Stain Preventative to assure solid coverage with no restaining, provide rust coverage
- \* Superior Quality Benjamin Moore (extended fade protection ), PPG Paint for better coverage, discounts and durability
- \* Covering and protecting all surrounding surfaces & painted décor/logo on the front of the building
- \* Painting all attached wiring, poles, meter boxes (covering the glass reader), etc. so it all blends in nicely.

**Exclude painting galvanized light poles or aluminum window framing.**

We recommend Painting ALL Doors, Casings, Overhead Doors, Overhead Door Window Trim (eliminating the white trim around the overhead door windows) of nice shade of RED with a nice complimenting base color on all the main siding outlining the top guttering/facia edge also RED to match all doors so the building will have a nice

**Special Notes Regarding Your Project & What to Prepare For Prior To Our Arrival:**

- 1. Remove all exterior décor, debri, equipment etc. from around the building**
- 2. Park all vehicles in the garage or away from the job site to prevent overspray.**
- 3. Provide your color selection at least 24 hr. in advance of the start date.**

**Some Limitations/Restrictions/Instructions:**

**Additional Charges May Apply For Pest Contol**

Existing defects, current substrate, existing finish, age or excessive wear and tear may prevent us from making some areas perfect. This may include but not limited to siding, trim, doors and windows.

Improvements will certainly be apparent. However, perfection may not be attainable based on the current condition. All work has a 5 yr. limited warranty. Warranty excludes any new structural settling or damage incurred after all work is completed. Contractor assumes NO responsibility relating to any medical conditions or damaged incurred to property that can be safely stored away or moved away including but not limited to vehicles, motorized vehicles, BBQ grills, etc.

Some areas will not be completely smooth but rather painted and protected from the elements.

In the event the customer needs to delay work longer than 30 days, a balance will be determined based on the completed work, and a separate quote will be submitted for the completion of the project.

All transactions relating to this quote should only be made between the customer and the Owner, Val Abram.

\* A 50% Non-Refundable deposit is required in order to schedule your work. The balance is due at completion.

Prices are subject to change.
