Town of Yorktown - WWTP attn. George Kane
2001 S West St.
Yorktown, IN 47396

Comments or special instructions: It was determined that the contractor will work alongside Town employees who will utilize chainsaws. This will save the Town money and reduce cleanup time.

Description	Amount
Removal of trees in the southwest corner outside of the Yorktown WWTP, clearing what would complete a square from the two fence posts at the treatment plant. An excavator will be used to remove branches, then the trees will be laid over, allowing for treatment plant workers to chainsaw off stumps and cut into smaller pieces. The subsequent debris will be taken to the Yorktown WWTP dump by tractor and trailer provided by the contractor.
