

PROPOSAL

Issue:

One of the three pumps at the CR 600 W lift station has gone bad. This is the same lift station at which we replaced the control board earlier this year. This is the largest and busiest lift station in the town.

Proposal:

WWTP Superintendent George Kane requested this attached quote from BBC Pump and Equipment to repair this pump.

Cost:

\$9,014.20

Cost to be paid from WWTP Repairs & Maintenance
