

PROPOSAL

Issue:

The landscaping at Civic Green requires irrigation and soil amendment due to heavy use. We have been using Certified Consultants for water system operations and soil management. They work closely with Jay Crew to keep the lawn and landscape healthy with irrigation audits, remote monitoring, and soil amendment development processes.

Proposal:

Certified Consultants has provided the following quote for years 2025 and 2026.

Cost:

2025	\$8952.00
2026	\$9775.00

Cost to be paid from ARPA
