

PROPOSAL

Issue:

Going forward into the new year, we feel it necessary to engage in some long-term strategic planning. This will assist council and staff in prioritizing projects going forward.

Proposal:

Veridus Group has submitted the following proposal which will include analysis, project identification, and public input to identify Town goals. These will encompass infrastructure, utilities, parks, housing, economic development, and public safety.

Cost:

\$47,500.00

Cost to be paid from ARPA
